

## 2016 iSCSI Disk Arrays

### Overview

The 2016 Brand Leader Survey for *iSCSI Disk Arrays* is non-sponsored research conducted annually by IT Brand Pulse.

### Measures perceptions of the people that matter most: IT Pros

IT Pros are the people that implement data center infrastructure making their responses the perceptions that matter most.

### Covers various products and six brand leader categories in an annual survey

IT Professionals were asked who they perceived as Market, Price, Performance, Reliability, Service & Support, and Innovation Leader in surveys that will be conducted annually for these particular product categories.

### The following Brand Leader collateral is available *per product category*:
